

## MEDIA RELEASE

13 March 2020

### UPDATE ON COVID-19 (CORONA VIRUS) AND KNSW EVENTS

Further to our release earlier today, we can confirm that as of Monday 16 March, NSW Health has advised that all non-essential organised gatherings **of more than 500 people**, including sporting events, should be postponed until further notice.

People who have been a close contact of a confirmed case of COVID-19, or who returned from or transited through a listed higher risk country must not attend public gatherings until 14 days after leaving the country or having contact with a confirmed case even if they are completely symptom free.

Those undergoing COVID-19 testing also must not attend public gatherings until they have received their results.

We will continue to update you with important information when available.

Please look after yourselves and those around you.
