KNSW ENGAGES WITH INDUSTRY & LAUNCHES THE 'KNSW DEALER LICENCE'

KNSW have today launched the KNSW Dealer Licence allowing registered members of industry to take potential karters out for a "Come & Try" activity on a nearby KNSW Licenced Track.

"Industry can play a major part in helping grow our sport" said Ms Alsters, Chair of KNSW. "We would encourage each and every eligible kart shop to purchase one of our KNSW Dealer Licences, as it is an invaluable way to assist new participants into the sport."

KNSW currently has 17 Licensed Tracks in New South Wales.

The KNSW Dealer Licence is available to dealers with a registered business name associated with karting and current operational business within the karting industry who comply with the KNSW Dealer Licence Guidelines. KNSW would also require that all KNSW Dealers comply with KNSW Recommendations to Reduce Covid-19 (Coronavirus) Risk.

What makes our Dealer Licence different, apart from the cheaper price, is that authorised KNSW Dealers are covered under KNSW insurance policies when facilitating a "Come & Try" Activity under KNSW Rules and Regulations.

The cost of the KNSW Dealer Licence for 2020 shall be \$262.50 plus GST (for the period 01 April 2020 to 31 December 2020). This fee is pro-rated of the annual fee of \$350 (plus GST) which will be invoiced annually in approximately January of each year.
